

2026 GRANT APPLICATION GUIDELINES FOR REGISTERED CANADIAN CHARITIES

The Lithuanian Canadian Foundation (LCF) is a federally incorporated Canadian registered charity whose objective is to support, encourage and promote Lithuanian cultural and charitable purposes. This objective is achieved primarily by providing financial support for projects aimed at increasing the public's knowledge and appreciation of the culture, language, history, and traditions of the Lithuanian community in Canada, Lithuania and throughout the world.

2. Only *Grant Applications* from registered Canadian charities, or their direct affiliates that are LCF members, will be considered.
3. A *Grant Application* must be for a specific, well-defined project to be carried out by the Charity requesting the funding. The project must be considered charitable under Canadian law. Please note that:

An *Applicant Information Form* must also be completed and submitted during each funding period, listing all of the projects for which funding is sought, in the order of priority.
6. If the Charity received **funding from the LCF in 2025** (for *2025 Grant Applications*), documentary evidence must be submitted to the LCF office by **January 31, 2026**, that the funding was used for the intended project(s), otherwise new applications from your organization will not be considered.
